

January 12, 1976

CLERK: 38 ayes, 0 nays.

PRESIDENT: Motion carries. Senator Dworak, would you want to advance the bill.

SENATOR DWORAK: Mr. President, I move that LB 175 be advanced to E & R for engrossment.

PRESIDENT: You've heard the motion. Any discussion? The question is the advancement of LB 175 as amended. All those in favor say aye, contrary say nay. The bill is advanced.

CLERK: Mr. President, Senator Maresh asks unanimous consent to print amendments to LB 460 in the Journal.

PRESIDENT: Are there objections to Senator Maresh's request? Seeing none, it's so ordered.

CLERK: Mr. President, we have two motions laying loose on the desk. Mr. President, Senator Murphy moves to replace LB 350 to General File, it's on E & R initial.

PRESIDENT: Senator Murphy.

SENATOR MURPHY: Mr. Chairman, the occasion for advancing LB 350, which dealt with the usury rate ... eliminating usury rate on securities transactions, was the fact that there was an error in reference in LB 349 which substantially accomplished the same thing, but had the improper reference in it. The Bill Drafter advises me that he had included, in 616, the Revisors bill correction of this error which will make LB 350 unnecessary. I think, in order to eliminate additional time, printing and the like, that it would be well to return LB 350 to General File so that it can be indefinitely postponed. I so move.

PRESIDENT: You've heard the motion. Any discussion? The question is the adoption of Senator Murphy's motion to return to the bill to General File. Record your vote. Now record the vote, Mr. Clerk.

CLERK: Thank you, Mr. President. 30 ayes, 0 nays, 19 not voting.

PRESIDENT: The bill is returned, Senator Murphy.

CLERK: Mr. President, a motion on the desk. I move to indefinitely postpone LB 350.

PRESIDENT: Chair recognizes Senator Murphy.

SENATOR MURPHY: The occasion for indefinite postponement of this bill has already been stated. I simply would move that the bill now be killed.

PRESIDENT: Any discussion? The question is the adoption of Senator Murphy's motion to indefinitely postpone. Record your vote. Record the vote, Mr. Clerk.
